

ABOUT THE CAMPUS

The GW Virginia Science and Technology Campus was established in Loudoun County in 1991 as a center for innovative research, graduate education, and regional corporate partnerships.

The Campus hosts a dozen centers of excellence in critical areas such as energy science and technology, transportation safety, and high performance computing.

The GW Virginia Science and Technology Campus also offers more than 15 graduate degree and certificate programs in business, education, and engineering, and unique undergraduate programs in health sciences and nursing.

Located at the University Center in Ashburn, the campus is positioned strategically in the Northern Virginia technology corridor near Dulles International Airport, just 12 miles west of Tysons Corner and 8 miles east of Leesburg.

Exhibit and reception organized by the Corporate and Community Relations Department.

For more information about the exhibit or other campus activities please contact 703-726-3650.
